For Nurserymen, Florists and Landscape Architects

TERMS AND CONDITIONS OF SALE

We offer the usual terms to responsible parties, otherwise we require cash in advance or satisfactory reference. All bills are due in 60 days.

Our Evergreens are all root pruned and have been transplanted several times and sheared into symmetrical shape, as this is very important for ornamental Evergreens.

All evergreens will be balled and burlapped at prices quoted; no charge is made for boxes or packing.

These are Seedlings of Juniperus Virginiana Glauca. While these are not the true Juniperus Glauca, they are much more showy than the regular Red Cedar. Our plants of this variety are all sheared and root pruned.
